

4200WX™

- TWO FRAME WIDTHS
- DETACHABLE, EXTRA WIDE PADDED SEAT
- DELUXE 8" WHEELS

Available in two seat heights and two frame widths, both with deluxe 8" wheels for easy handling, the 4200WX™ offers complete mobility both indoors and outdoors. The 4200WX™ comes complete with basket and detachable, built-in padded seat for extra comfort. It is equipped with a hand operated Push to Lock braking system and features an arthritic ball on the brake for easy use. Its extra wide seat design provides an additional 2" to 3" width between the handles yet maintains a standard overall width. With its patented easy-to-remove back, the 4200WX™ not only folds compactly but offers a comfortable place to rest during your busy day.

Care & Use: For indoor or outdoor use.
Specifications: Aluminum frame and basket with vinyl coating, handles and backrest. Wheels are made of elastomere with non-corrosive aluminum parts.
