

4200DX™

- IDEAL FOR SMALL SPACES
- TWO CONVENIENT SEAT HEIGHTS
- ADJUSTABLE HANDLE HEIGHTS

The 4200DX™ walking aid is a walker mainly for indoor use, yet its high quality six inch wheels will allow the occasional trip outdoors. Made of durable and lightweight aluminum, the 4200DX™ folds conveniently and is very easy to handle in small areas. The 4200DX™ is equipped with a hand operated “Push to Lock” braking system for enhanced security. Its unique design incorporates many of the features often found only on more expensive outdoor walkers at a very affordable price.

Care & Use: Primarily indoor use with the occasional trip outdoors or in shopping malls.

Specifications: Aluminum frame and basket with vinyl coating, handles and backrest. Wheels are made of elastomere with non-corrosive aluminum parts.
