

RAISED TOILET SEATS

- OPEN FRONT
- DEEP SPLASH GUARD
- HIGH GLOSS FINISH

These injection moulded raised toilet seats are available in two seat heights, 2" and 4". Their high gloss finish make them simple to clean and therefore resistant to stains and odour. They feature a gently contoured seat that is easily fitted or removed from the toilet in seconds. With a deep 5" splash guard for maximum hygiene and a dipped front, these raised toilet seats allow the user easy access for personal cleaning. Light in weight, they are robust enough to cope with the heaviest user.

Care & Use: Clean with a non-scratch cream cleanser.

Specifications: ABS plastic with three L-shaped stainless steel brackets.
