

CANES

- VARIETY OF HANDLE TYPES
- HEIGHT ADJUSTABLE
- FOLDING CANES IDEAL FOR TRAVEL

Constructed of exceptionally strong, rust-proof anodized aluminum, these canes are available in a wide variety of handle types and tubing sizes to accommodate every need. They feature rubber tips and a safety double lock collar to ensure stability. Optional cane straps and holders are also available.

Care & Use: Use for additional stability when walking.
Specifications: Anodized aluminum tubing with either plastic, rubber, or foam hand grips and non-slip rubber tips; Adjustable 30" to 39".
