### HAND HELD SHOWER HOSES

- ADJUSTABLE SPRAY SETTINGS
- EXTRA LONG HOSE
- LIGHTWEIGHT

**A Model #1300 (Standard)**

**B Model #1305 (Deluxe)**

These lightweight shower hoses easily attach to the existing shower arm and require no diverter valve for installation. Available in two models, #1300 (Two Function) and #1305 (Three Function), they feature an extra long 79" hose ideal for use with shower seats and transfer boards. Model #1305 offers an adjustable pulse setting of a relaxing regular spray, a pulsating jet massage spray or a stop position and features a durable, rust-resistant stainless steel hose.

B
