A

B

A Model #1640

B Model #1645

Manufactured under ISO9002, these raised toilet seats are made to the highest standards. They feature a front locking mechanism for easy installation and have a rear anchoring system for maximum stability. Model #1645 is equipped with comfortable padded arm supports well positioned to assist in lowering and raising.

Care & Use: Clean with a non-scratch cream cleanser.

Specifications: Natural colour, rotationally moulded plastic seat with padded aluminum armrest.
