

## RIVA™

- DURABLE CONSTRUCTION
- CHOICE OF HANDGRIPS
- EIGHT HANDLE HEIGHTS

The RIVA™ walker offers the ultimate in stability and is designed for the active user who demands durable construction and high quality. The RIVA™ has a large, comfortable seat and is available in both low and standard seat heights. Eight handle heights and a choice of foam or anatomical hand grips allow the RIVA™ to be customized to meet the user's exact needs. The RIVA™ comes equipped with an extra large shopping basket and a height adjustable, folding backrest. With a full range of additional accessories, the RIVA™ is truly the walker of choice for an active lifestyle!

Care & Use: Ideal for outdoor and/or higher weight capacity usage.

Specifications: Steel frame and basket with vinyl coating, foam handles, backrest and curb assist. Wheels are made of EVA with non-corrosive aluminum parts.
