TRANSFER BATH BENCH

- WATERPROOF
- LARGE SOAP REST AREA
- COMPACT DESIGN

A Model #1480
B Model #1485 (with back)

Getting out of the bathtub will be a breeze with our transfer bench. If mobility is restricted, let this transfer bench help to safely transfer in and out of the bathtub without fear of slipping or falling. The comfortable seat is not too wide leaving more space in the bathroom. Its blow moulded, waterproof plastic ensures hygiene and its non-slip rubber tips and suction tips for the bathtub area assure stability. Available with or without a back, this attractive white transfer bench is compact in design and easy to clean.

Care & Use: Wipe clean with household disinfectant.
Specifications: 1" aluminum tubing, plastic seat and backrest.

SHOWER CHAIR

- REMOVABLE MATERIAL BACKREST
- STABLE AND EASY TO MOVE
- COMFORTABLE SEAT

C Model #1500 (Shower Chair with Casters)

Designed to transport an individual to and from the shower, this chair features full swivel casters that allow easy movement. The rear casters have a built-in locking mechanism for security. Its nylon backrest not only allows easy access to the user's back, but is also easily removed for washing. The seat is made of a durable plywood base with cushioned vinyl padding and its frame is an anodized, non-corrosive aluminum with plastic armrests for comfort.

Care & Use: *Seat:* Wipe clean with household disinfectant.
Backrest: Cold water wash with mild soap; hang to dry.

Specifications: Plywood base seat with cushioned vinyl padding, plastic handrests with 1" aluminum tubing, 5" swivel casters (1" wide) and nylon backrest.
